PROFESSIONAL EXPERIENCE

Senior Project Consultant

ERNST & YOUNG   Jan 2018 - Present

I have been working in the IT industry for 6 years, with my most recent experience being a UX/UI designer & developer at Ernst & Young. I possess experience in optimizing User Experience through clear content, simple navigation, dynamic design and converting those designs into usable pages.

Software Developer

MARVEL BUSINESS SOLUTIONS PVT. LTD   Mar 2013 - Jan 2018

While working with marvel, Designed mock-ups for potential and existing clients to show how applications would look if integrated into their systems. Extensively worked on numerous web technologies including HTML, CSS, JavaScript, JQuery, Ajax, and Photoshop. Actively involved in supporting the development team regarding the front end part.

EDUCATION

Bachelors of Technology

ELECTRONICS AND COMMUNICATION ENGINEERING   2008 - 2012

WEB TECHNOLOGIES

- HTML , CSS
- JavaScript
- JQUERY
- AJAX

PROJECTS

e-Pragati (www.myap.e-pragati.in/)

GOVT. OF ANDHRA PRADESH   Jan 2018 - Present

"e-Pragati" is a software platform proposed to be implemented by the e-Pragati Authority, consisting of 72 projects spanning across all major departments and components of Government of Andhra Pradesh.

Accountri (www.accountri.com)

MARVEL BUSINESS SOLUTIONS   Mar 2013 - Jan 2018

Marvel was a simple one-page website that explained the benefits of the business and how it works, encouraging customers to sign up. The branding had already established quite a strong visual style which gave me a pretty good idea of what the website would look like.

Mastronix (www.mastronix.com)

NAVITAS BUSINESS CONSULTING PVT. LTD   Aug 2016 - Dec 2018

The main purpose of this project is to automate the work of all staffing companies, where a company can register with Mastronix and add users with roles like recruiters, account managers and many more.

ManageTraq (www.managetraq.com)

MASTER COMPLIANCE SOLUTION LLC   Sept 2015 - Jul 2016

The focus of this project is to automate the work of all law firms, where a law firm can register in Managetraq and add users with roles, where they can manage and keep track of their complaints.

Transentry (www.transentry.com)

NAVITAS BUSINESS CONSULTING PVT. LTD.   Jan 2014 - Sept 2015

The project main focus is to simplify the accounting system and to reduce the workload of entering the data into excel. Transentry provides a simple solution to accounting.

Natyabharati (www.natyabharati.org)

NATYABHARATI ORGANIZATION   Apr 2013 - Mar 2013
